The contract was for classified personnel (personal clasificado) not for teachers. In order for this year to be counted as an experienced teaching year for the Department of Education I had to pay for the year or years I wanted to counted for my experience. I paid for the two years in order to be in record as an English teacher. The amount was about \$ 800.00 dollars

3. In 1985 I finished my studies in Library Sciences. I was certified by the Department of Education as a school librarian. But the stipend of \$10.00 dollars was taken away because I was not in the classroom anymore. Completely unjust My skills and knowledge makes me able to speak, read, write, in both languages Spanish and Englsih no matter where I work. I did not receive a stipend while I was a school Librarian.

4. During the year 1990 to 2000 I worked in the Department of Education as an English zone Supervisor. The last salary raised for the English Supervisor III was on 2000. On January 2001 this year The Department of Education moved me to a trust tee position (posicion de confianza) as a Directror of Title One Supporting System at Central Office , Hato Rey, San Juan. I worked on proposals, management of title I personnel, and administrative office work. For a \$5,000.00 monthly. Had to move from Mayaguez to San Juan.. Rented an apartment.
